

## **Supplies for Basic Drawing: Technique Sampler**

If you have a drawing supplies just bring what you have. If not, I recommend the following:

**Charcoal:** Sticks of vine or willow charcoal, compressed charcoal, chamois (from art or car supply store), Q-tips

**Pastel:** A small set of oil pastels. You don't need a large set because we will be layering and blending.

**Graphite Pencil:** Any graphite pencil set with a variety of hardness or the following pencils: 6B, 4B, 2B, 2H and 4H, plus an eraser

**Colored Pencil:** I have been pleased with Prismacolor or Crayola colored pencils. I'm sure other brands of colored pencils are excellent too. You don't need a large set because we will be layering and blending.

**Pen & Ink:** a pen holder and a nib or two, ink in a small bottle with dropper, bamboo brush.

**Paper:** 2 pads of 18x24" paper, one of drawing paper and the other newsprint
